## WOMEN & GIRLS HIV/AIDS AWARENESS DAY (MAR 10)

### **Women and Girls are Taking Action in the Fight Against HIV/AIDS**

**Now it's time for you to decide: What can you do?**

National Women and Girls HIV/AIDS Awareness Day is a nationwide observance that encourages people to take action in the fight against HIV/AIDS and raise awareness of its impact on women and girls. It is coordinated by the U.S. Department of Health and Human Services' [Office on Women's Health \(OWH\)](#). It helps organizations across the country come together to offer support, encourage discussion, and teach women and girls about [prevention of HIV](#), the importance of [getting tested for HIV](#), and [how to live with and manage HIV/AIDS](#).

National Women and Girls HIV/AIDS Awareness Day is observed specifically on March 10 every year, but OWH encourages organizations to hold events throughout the month of March.

## PLAYGROUND CONSTRUCTION GRANTS

[Dr Pepper Snapple Group](#) and [KaBOOM!](#) are offering grants of \$15,000 to qualifying organizations to use toward the purchase of playground equipment that will be built using the KaBOOM! community-build model.

The program is open to municipalities, neighborhood associations, schools, day care centers, and nonprofit organizations in the United States without a playground or with existing equipment that has become unsafe for children to use. Applicants must own the land or possess a long-term lease and must obtain permission from the land owner to construct a playground. The scope of the project must include a total playground equipment purchase of between \$24,000 and \$40,000.

Criteria used in the competitive selection process include a demonstrated need for a playground in the community; the anticipated impact the project will have on the community; its impact on low-income areas; capacity to engage the community in planning and building the playground; capacity to generate matching funds to support and complete the build within the grant period; and demonstrated enthusiasm for the project and commitment to fulfill the requirements of the grant.

Grantees will plan their projects and share best practices and challenges through the KaBOOM! Web site. Applicants must demonstrate their ability to maintain the playground, fulfill commitments of the grant, and keep the project planner page up to date. The project must be completed within a year of receiving the grant award.

Complete program information, project planning resources, and grant application procedures are available at the KaBOOM! Web site ([http://kaboom.org/about\\_kaboom/programs/grants/](http://kaboom.org/about_kaboom/programs/grants/)).

**Deadline:** March 16, 2012

## MET LIFE COMMUNITY ENGAGEMENT GRANTS

The [Association of Performing Arts Presenters](#) and [MetLife Foundation](#) have announced the launch of a new program, All-In: Re-imagining Community Participation, to support innovative strategies that target the full spectrum of community members from all generations and populations in community-based performing arts programs.

The program will support APAP-member presenting organizations that exhibit outstanding approaches to community engagement.

The program is designed to identify and support organizations committed to learning about and integrating new approaches to fostering the participation of an entire community; support the planning and implementation of community engagement projects that go beyond conventional audience development strategies; and share new and adaptive strategies from funded projects in an effort to increase the effectiveness of community engagement practices.

Projects should target one or more populations that lack significant engagement in the arts and cultural life of the applicant's community. Targeted populations may be based upon demographics unique to the community (e.g. ethnically diverse/immigrants, generational/older adults, economically disadvantaged, people with disabilities, or others).

Applicants must be nonprofit entities and be a current member of the Association of Performing Arts Presenters.

One-year grants of up to \$25,000 will be awarded to presenting organizations in support of promising new approaches to community engagement through the performing arts. A total of \$100,000 is available. One grant will go to an organization focusing on global

cultural exchanges.

Visit the APAP Web site

(<http://www.apap365.org/KNOWLEDGE/GrantPrograms/Pages/All-In.aspx> ) for complete program guidelines and application materials.

**Deadline:** March 16, 2012

## COMMUNITY-POLICE PARTNERSHIP GRANTS

**ANNOUNCING THE 2012**  
**MetLife Foundation**  
**COMMUNITY-POLICE PARTNERSHIP AWARDS**

The [MetLife Foundation](#) and the [Local Initiatives Support Corporation](#) are partnering for the eleventh year to recognize, sustain, and share the work of innovative partnerships between community groups and police to promote neighborhood safety and revitalization.

The MetLife Foundation Community-Police Partnership Awards are designed to identify and honor partnerships that exhibit tangible accomplishments in their efforts to advance the process, outcome, and/or evaluation of potent police-community collaborations. Case studies about award-winning partnerships will be disseminated throughout the community development and law enforcement industries.

Applicants must be community organizations, community development corporations, police/sheriff's departments, community partnerships, Weed & Seed programs and other [U. S. Department of Justice](#) grantees, or collaboratives comprising more than one of these elements. Public agencies (including police departments and public schools) must apply in conjunction with at least one nonprofit 501(c)(3) organization that is a leading partner in the collaboration and will serve as a fiscal agent for award funds. All applicants must be based in the United States. Awards are only for functioning programs that have demonstrated the impact of police-community partnerships.

Cash grants will be awarded in two categories. Neighborhood revitalization Awards (five awards at \$20,000 to \$30,000) are designed to celebrate exemplary collaboration between community groups and police that yields crime reduction as well as economic development outcomes (e.g., real estate development, business creation, and/or job growth). Special strategy Awards (five awards at \$15,000) will be presented to

community and police partners who have achieved significant accomplishments in one or more of the following areas: applied technology, aesthetics and greenspace improvement, diversity inclusion and integration, drug market disruption, gang prevention and youth safety, or seniors and safety. Applicants may apply in both award categories.

Visit the LISC Web site (<http://www.lisc.org/section/ourwork/national/safety/awards> ) for complete program guidelines and preliminary application instructions.
