## NATIONAL DAY OF PRAYER

## 2012 NATIONAL PRAYER

*Dr. David Jeremiah – NDP Honorary Chairman*

Heavenly Father,

Every good gift and perfect gift comes from You. You are a faithful God and Your mercy endures forever.

You have promised to bless the nation that trusts in You. Our currency proclaims "In God We Trust," but in our culture we are far from You.

In the words of the prophet Daniel, "We have sinned and committed iniquity, we have done wickedly and rebelled, even by departing from Your precepts and Your judgments."

We come before You once more, seeking Your forgiveness and mercy. You, O God, are our only hope... Hear our prayer and, for Your honor's sake, shine Your face upon this nation.

Give our leaders the desire to seek Your wisdom and the courage to follow Your guidance... and watch over the men and women of our armed forces as they sacrifice for the cause of freedom.

We give You thanks for all You have done for us, and we earnestly pray that You will help us become, once again, a nation whose God is the Lord.

In the name of Your Son, and our Savior, we pray this prayer.

Amen.

## TIM TEBOW & JOHN MAXWELL @ 12 STONE

Football star Tim Tebow is scheduled to visit [12Stone Church](#) in Lawrenceville on May 4. John C. Maxwell and Tim Tebow will be hosting a conversation about leadership and faith at the church's central campus.

"Tim Tebow's fame and influence transcend the world of sports. Both his admirers and his critics agree that he is a superb leader. Don't miss the rare opportunity to hear Tim Tebow and John Maxwell - together - discussing sports, leadership, and the Great Commission," reads the billing on [www.iequip.org](http://www.iequip.org).

[EQUIP Leadership Inc.](#), is a non-profit, global leadership development organization founded by Maxwell and committed to radically changing the leadership landscape, according to its website.

"Tim Tebow embraces the responsibility of his influence and understands the power of self-leadership," 12Stone Senior Pastor Kevin Myers told the Gwinnett Daily Post. "We're pleased to host an evening with Tim and John Maxwell for Gwinnett."

Working in partnership with the [National Association for Sport and Physical Education](#), ING will provide a minimum of fifty grants (up to \$2,500 to each school) to establish a school-based running program or expand an existing one through the ING Run for Something Better program.

The program is open to elementary and middle schools (K-8) in the United States. Schools must have at least twenty-five students in grades 4- 8 committed to their running program to be eligible. ## GATES FOUNDATION GRANTS FOR GLOBAL HEALTH CHALLENGES

*"By harnessing the world's capacity for scientific innovation, I believe we can transform health in the developing world and save millions of lives."*

**BILL GATES**

Of the billions spent each year on research into life-saving medicines, only a fraction is focused on discovering and developing new tools to fight the diseases that cause millions of deaths each year in developing countries. The Grand Challenges in Global Health initiative is an effort to address this imbalance.

The [Bill & Melinda Gates Foundation](#) has announced that it is accepting applications for Round 9 of its Grand Challenges Explorations initiative, a \$100 million grant initiative encouraging innovation in global health and development research.

The program seeks dynamic, transformative ideas that address the world's greatest health and development challenges. The grant program is open to anyone from any discipline, from student to tenured professor, and from any organization — colleges and universities, government laboratories, research institutions, nonprofit organizations, and for-profit companies. Anyone with a transformative idea is invited to submit the two-page online application.

The foundation has also announced that this round of Grand Challenges Explorations will feature a new kind of topic that challenges people to find new ways to tell the story of development aid and the powerful impact it can have around the world. To help disseminate the message that aid works, Grand Challenges Explorations is partnering with Cannes Lions to uncover new ways to find and distribute stories that will inspire people to support development aid.

The complete list of topics for Grand Challenges Explorations Round 9 is as follows: Aid Is Working — Tell the World (in partnership with Cannes Lions); New Approaches for the Interrogation of Anti-Malarial Compounds; Protect Crop Plants From Biotic Stresses (From Field to Market); Design New Approaches to Optimize Immunization Systems; and Explore New Solutions for Global Health Priority Areas.

The Gates Foundation and an independent group of reviewers will select the most innovative proposals, with grants awarded within approximately four months of the proposal submission deadline. Initial grants will be \$100,000 each. Projects demonstrating potential will have the opportunity to receive additional funding up to \$1 million.

Visit the Grand Challenges Web site (<http://www.grandchallenges.org/Explorations/Pages/ApplicationInstructions.aspx>) for complete program guidelines, an FAQ, and online application instructions.

**Deadline: May 15, 2012**

## BUSINESS GRANTS FOR WOMEN ENTREPRENEURS

EILEEN  
FISHER

Women's clothing retailer [Eileen Fisher](#) provides support to woman entrepreneurs through their annual Business Grant Program.

The program seeks applicants from wholly women-owned businesses that combine the principles of social consciousness, sustainability, and innovation to create new businesses or invigorate existing ones. In addition to the key social principals, applicants must have a solid business plan and a strategy for long term growth.

To be considered for a grant, businesses must produce products that foster environmental and economic health in the global community. (The program is not designed for consulting services, medical practices, and general services. It favors product-based enterprises.)

Two business categories are eligible for the grant: established businesses and start-ups. An established enterprise will have been in business at least three years and be ready to develop the next stage of its business plan. A start-up (less than three years in business) will be considered based on a solid business plan, the ability to show how the grant money will enhance the growth of the business at this time, and financial documents that demonstrate the current health and future potential of the business.

Only for-profit businesses and for-profit/nonprofit hybrid businesses (social enterprises) are eligible for the grant. (Nonprofit organizations may qualify for funding through other Eileen Fisher grant programs.)

The five grant recipients will each receive a \$12,500 grant, mentoring from internal Eileen Fisher teams, and a trip to New York City for a three-day workshop with Eileen Fisher committee members and past grant recipients.

Visit the Eileen Fisher Web site

([http://www.eileenfisher.com/EileenFisherCompany/CompanyGeneralContentPages/SocialConsciousness/Grants\\_2011.jsp](http://www.eileenfisher.com/EileenFisherCompany/CompanyGeneralContentPages/SocialConsciousness/Grants_2011.jsp)) for complete grant program guidelines, the application form, and information on previous grantees.
