

CAREGIVING RESOURCES

Source: [The Family Caregiver.org](http://TheFamilyCaregiver.org)

Agencies and Organizations

Following are agencies and organizations that are valuable resources for you to receive information, support and assistance - whether you are a family caregiver, a professional caregiver, or looking for additional information on issues related to family caregiving.

- [Caregiver Organizations, Information, Advocacy and Support Resources](#)
- [Caregiver-Specific Websites](#)
- [Caring for Elders](#)
- [End-of-Life Planning, Hospice and Bereavement Information](#)
- [Advocacy Assistance](#)
- [Health Insurance: Prescription Assistance Information](#)
- [Homecare Agencies](#)
- [Assisted Living, Nursing Homes, and Residential Care](#)
- [Medical Transport and Hospitality Housing](#)
- [Respite Resources](#)
- [Training for Family Caregivers](#)
- [Disease Specific and Health Related Agencies and Websites](#)

Finding Resources in Your Local Area

Don't forget to find out what services and organizations are available in your local community. Even if you think you will not qualify for specific services, agencies may be able to make referrals to other organizations which may be of assistance.

- Check the county government listings in your local phone book for information on
 - Health and Human Services Department
 - Social Service Department
 - Public Health Department
 - Social Security Administration
 - Medical Board
 - Mental Health Department
- Access governmental agencies and organizations online.
- Contact the social service department of your local hospital or clinic.
- Locate adult daycare centers and faith-based agencies.
- Locate the local chapter of disease groups (i.e. American Heart Association etc)

Caregiver Organizations, Information, Advocacy and Support Resources

- **Children of Aging Parents (CAPS)**
800-227-7294
Website: <http://www.caps4caregivers.org>

CAREGIVING RESOURCES

Source: [The Family Caregiver.org](http://TheFamilyCaregiver.org)

CAPS assists caregivers of the elderly with information and referrals, a network of support and publications and programs that promote public awareness of the value and the need for caregivers.

- **Family Caregiver Alliance (FCA)**
800-445-8106

Eldercare Locator provides referrals to Area Agencies on Aging via zip code locations. Family members and caregivers can also find information about many eldercare issues and services available in their communities.

- **Home Instead - 40/70 Rule**
Website: www.4070talk.com

What does a grown daughter say to her dad when he's hit a light pole with the car? How do adult sons ask their moms if they're taking their medications like they should? And how do siblings approach their parents about needing more help at home? These issues can challenge even the most loving family where communication is free and open. Talking sooner is better than waiting until a crisis has occurred. That's what the "40-70 Rule" is all about. This advice is designed to help adult children and their aging parents deal with those sensitive topics that often make conversations difficult. The idea is that if you're 40, or your parents are 70, it's time to start talking about the issues of aging.

- **The National Association of Professional Geriatric Care Managers**
520-881-8008
Website: <http://www.caremanager.org>

CAREGIVING RESOURCES

Source: [The Family Caregiver.org](http://TheFamilyCaregiver.org)

Geriatric care managers (GCMs) are health care professionals, most often social workers, who help families in dealing with the problems and challenges associated with caring for the elderly. The national organization will refer family caregivers to their state chapters, which in turn can provide the names of GCMs in your area. This information is also available online.
